

Guidelines

1. Have Fun – All PL Volunteers, Friends and Family are welcome to participate.
2. Make a donation of \$15 to Project Linus of East Tennessee and receive one quilt challenge kit.
 - a. The package will contain at least 1/2 yard of “under the water” fabric and another yard or more of coordinating fabrics.
 - b. You can purchase kits at Project Linus of East TN events. If you want one mailed to you, please add \$5 for postage.
 - c. More will be posted soon about ordering online. If you can’t wait or need to write a check and have Deb mail you a kit, please contact Deb Miller.
3. Make a completed quilt to donate to Project Linus (quilted, bound, etc.) by August 31, 2021 using at least approximately ½ yard of the fabric in the package. You can add other fabrics to it to make your creative “Water Wonderland” quilt. Quilts should be finished – quilted and bound. No specific size requirements.
4. Submit the quilt through a regular drop off location or at a Project Linus of East TN event or by mailing to Deb Miller, 365 Dean Dr., Ten Mile, TN 37880. All quilts should have a sealed envelope attached (safety pinned) to the quilt with the name, email and phone # of the submitter inside. Please mark the outside of the bag WATER W Project Linus.
5. Quilts will be voted on in the Fall 2021 virtually, via mail and at “to be announced” locations.
6. The winner will receive a prize valued at \$100 or more filled with goodies including gift certificates. Runner-ups will also receive a small prize. An individual can only win one time even if you submit more than one quilt.
